This was an event that all proceeds to go to the Edmonton & Northern Chapter of CCFF. We hosted and assisted Kathy with the live auction (which our favourite auctioneer Leighton Sorensen conducted) and the ever lovely Seanna Collins emceed for the evening (although with a cold she was a graceful and perky as ever).

There were silent auction items that included baskets of various items, autographed prints from celebrities (including Johnny Depp and Mylie Cyrus, Joan Healy and more). Live auction items included a dinner with J’lyn Nye, Cdn Country Music Award package, Glamour Day and golf packages).

There was wine vendors from all over our city – eager for the guests to sample their product while Dr. Blu provided the evening’s entertainment. The Chateau Louis provided a wonderful selection of hors d’oeuvres to satisfy all taste buds.

This is great exposure for our club. We met a “kin kid” who parents were both former past presidents of our two clubs. We did invite her to our meeting, so hopefully we’ll see her soon.

It was a wonderful event, however one suggestion was made, the event should be moved back to its original Friday night. Numbers were down and the crowd was “spending” cautious.

Thank you to Noeline Adams and Eunice Rhoades who took advantage of the free tickets.
